Golf News

Pace of Play Tip of the Month: When you walk to your ball in the fairway, take the club you believe you will hit plus one higher and one lower lofted club just in case. Don't forget last month's tip, record the previous hole's score on the next tee box. Also remember 2/10/2. 2 hours on the front, 10 minutes at the turn, and 2 hours on the back!!

Please remember that all Golf Shop credit must be spent by December 30th. All credit not used will be cleared out.

Save the date for the Golf Shop's 10 days of Christmas Sale....

Message from Superintendent Andy McMahan: Using the linear divot pattern will greatly increase the quality of your driving range tee. This pattern should be used year round but is especially important from October to April. During this period the Bermuda grass stops growing and the divots that are taken will not grow over until May. The more efficient you are with the use of the grass equals the less time the mats will have to be used.

Tennis Upcoming Events:

Pro Shop will be open on Sunday December 22 from 12:30-3:30pm but will then be closed on Monday December 24th and Tuesday December 25th. If weather allows then the courts will be open for play. Court reservation sheets will be posted outside for signup.

Court News:

We are now in the time of year where our 4 Clay Courts may become susceptible to freezing & becoming unplayable. When this occurs we will be locking the courts & will hope to have them reopen within 24 hours (weather permitting). However if the temperature stays below freezing for a period of time then it will take longer to get them back open for play. Please call the pro shop or check the signup sheet for updated court conditions. Our 2 Hard Courts will be open however call ahead to check on their availability due to limited space.

Pro Shop News:

Are you looking for a unique gift that will last a lifetime? Why not give a tennis gift certificate that can be used for lessons, clinics, ball machine time, equipment or pro shop merchandise.

Tennis is truly a sport that can be played for a lifetime. It's fun, challenging & rewarding. Tennis is also a great way to improve your health and tone up. It doesn't take a lot of time & you can enjoy the game with family and friends! Please stop by the tennis shop or give us a call (919-383-1427) to register for a tennis gift certificate.

New Clothing by Eleven by Venus Williams (Holiday 2018) has just arrived. Come see all the new styles and vibrant colors and be the first to have your new outfit ready for Winter!

2019 Head and Babolat Rackets have all arrived :

Head has now made the addition of **Graphene 360**, Head not only strengthens this racquet's shaft, but it also reinforces the head at 3, 9 and 12 o'clock. The upshot is a more solid feel when trading ground strokes along with impressive power on full cuts. There's also plenty of spin for controlling the power or crafting sharp angles.

Babolat Pure Aero and Pure Aero Lite :

Babolat adds another chapter to one of the game's most iconic and popular racquets. It's called the **Pure Aero**, and it specializes in the production of spin & power. Babolat has also moved the **Cortex** dampening material to the head at 3 & 9 o'clock, resulting in a slightly softer feel at impact
Demo's are available in all new frames so come by and check them both out.

Ladies & Men's Programs

All of our Ladies and Men's Night time Clinics will be starting back in March. We will be offering some Saturday Adult clinics starting in January.

Junior Clinics:

Last week for all Junior afternoon clinics is the first week of December. Our middle and high school level juniors will start back up the first week in January.

Hope to see you on the Courts
