Court News:

We are now in the time of year where our 4 Clay Courts will be susceptible to freezing and becoming unplayable. When this occurs we will be locking the courts and will hope to have them reopen within 24 hours (weather permitting). However if the temperature stays below freezing for a period of time then it will take longer to get them back open for play. Please call the pro shop or check the signup sheet for updated court conditions. Our 2 Hard Courts will be open however call ahead to check on their availability due to limited space.

Happy New Year to our Members and Croasdaile Family! We hope everyone enjoyed the holidays and has started to think about their goals for 2016. Whether you want to improve your touch around the greens or gain a few extra yards with your driver, team up with The Professional Staff to create a plan to help you achieve your goals. The winter months may have mild temperatures which provide a great opportunity to work on your game, schedule a lesson, or get fit for the new 2016 equipment you wish to add to your bag.

We are excited to kick off 2016 and look forward to a great golf season ahead. We hope to see you frequently at the club during the off-season!
